Vice-President Report

Vice President Binner talked about how the new officers were installed at the last class in October. He discussed the financial status of the chapter and what we have in reserves. Talked about how Octoberfest went and how we want to try to do more home grown education like this. He also talked about how we need to try to expand our brand to other organizations to get more income and more attendance at our classes. He discussed how we are currently revising our budget. Talked about how our newsletter is coming out later this year. Talked about how we gave the executive director a signing bonus since she did such a great job this first, very hard, year. Also, discussed how Dane Anderson is becoming our new education chair.
